## To Do Second Semester:

- ☐ Check grades weekly in OLS. Look for M's = Missing (scores as a zero)
- ☐ Check Classkick for work completion by opening assignments to browse through.
- ☐ MAP Accelerator – 10 minutes each day
- ☐ Check to make sure you are completing your Daily/Weekly Plan every day.
- ☐ **Complete any “overdue” and/or “not mastered” lessons** (found on the Weekly Plan) before the following week! Completing these lessons will need to be tackled after the lessons on your Plan have already been completed daily.
- ☐ **Check Classkick Assignments for completion!** Learning Coaches please check these each week. Completely opening the assignment to verify that the student has finished all parts is needed to help students be successful. Emailing is needed as well when your student completes a Classkick assignment, so I am notified to score it asap and plug that score into the gradebook. Classkick and the gradebook do not communicate with each other, and I don't receive alerts if a student finishes an assignment. Thank you so much for your help with this!
