CLASS PICTURE!

TIME SENSITIVE - SEE BELOW FOR
MORE INFORMATION.

WIN (What's Important Now):

Monday, May 30 – **Memorial Day: no school**

My “thank you” is not possibly enough, today, as we reflect on the U.S. military personnel who have died while serving in the United States armed forces. Thank you, as well, to their family members who have endured that journey.

Tuesday, May 31 – **MAP Testing – Math 10am (whole class)**

Wednesday, June 1 – Washington State Poster Project – History

Assigned: Complete the “History” portions of your poster. Directions will be given in class and provided on your Daily Plan as well.

- The final poster project is due on June 10th. Directions will be provided in more detail during class as well as on your Daily Plan

Thursday, June 2 – **small groups & help labs**

Friday, June 3 – **small groups & help labs**

Looking Ahead:

- **WASHINGTON STATE HISTORY POSTER PROJECT** - Each Wednesday, during our ELA Class Connect, students will take notes during class & then use those notes to input information onto the poster template. NOT ALL students will have use of a printer and will have a digital option in Classkick.
- **CLASS PICTURE!** – Please use this link and create ONLY 1 avatar, utilizing your Office 365 student email account. Please try to make your avatar as close to how you look, as possible with the options provided. Please complete this by May 27th. I will email out a copy to our class as soon as possible. <https://join.pixton.com/fyltql>
Again, please ONLY CREATE ONE avatar and do NOT share the link out to others. We want to capture ONLY the students in our class.

To Do:

- ☐ Check grades weekly in OLS. Look for M's = Missing (scores as a zero)
- ☐ Check Classkick for work completion by opening assignments to browse through.
- ☐ MAP Accelerator – 10 minutes each day
- ☐ Check to make sure you are completing your Daily/Weekly Plan every day.
- ☐ **Complete any “overdue” and/or “not mastered” lessons** (found on the Weekly Plan) before the following week! Completing these lessons will need to be tackled after the lessons on your Plan have already been completed daily.
