**Homework** continue to work on your poster!

1. Go to: <http://www.ereferencedesk.com/resources/state-history-timeline/washington.html>

2. Complete the timeline (on your poster).

Washington History Timeline

1592 1775 1810 1853 1889 1980

When did you come to Washington? Don't forget to add it to your timeline.

Keep your pages in a safe spot. You will tape them all together at the end of the unit.

#### **Late May Final turn in procedure:**

Once your poster is complete, near the end of the unit, please tape it all together if possible. Have your learning coach snap a photo of you holding it and File Share it to me with the subject heading on the File Share as, "WA State History Poster." I will add it to a slide show at our year end celebration class!!

Mrs. Eckhart 😊
