Looking Ahead:

- **WASHINGTON STATE HISTORY POSTER PROJECT** - Each Wednesday, during our ELA Class Connect, students will take notes during class & then use those notes to input information onto the poster template. NOT ALL students will have use of a printer and will have a digital option in Classkick.
- **CLASS PICTURE!** – Please use this link and create ONLY 1 avatar, utilizing your Office 365 student email account. Please try to make your avatar as close to how you look, as possible with the options provided. Please complete this by May 27th. I will email out a copy to our class as soon as possible. <https://join.pixton.com/fyltql>
Again, please ONLY CREATE ONE avatar and do NOT share the link out to others. We want to capture ONLY the students in our class.

To Do:

- ☐ Check grades weekly in OLS. Look for M's = Missing (scores as a zero)
- ☐ Check Classkick for work completion by opening assignments to browse through.
- ☐ MAP Accelerator – 10 minutes each day
- ☐ Check to make sure you are completing your Daily/Weekly Plan every day.
- ☐ **Complete any "overdue" and/or "not mastered" lessons** (found on the Weekly Plan) before the following week! Completing these lessons will need to be tackled after the lessons on your Plan have already been completed daily.
- ☐ **Check Classkick Assignments for completion!** Learning Coaches please check these each week. Completely opening the assignment to verify that the student has finished all parts is needed to help students be successful. Emailing is needed as well when your student completes a Classkick assignment, so I am notified to score it asap and plug that score into the gradebook. Classkick and the gradebook do not communicate with each other, and I don't receive alerts if a student finishes an assignment. Thank you so much for your help with this!
