

Hi Everyone,

Today, in our ELA Class Connect, we were able to kick-off our Washington State History Unit!

Project:

The project is to make a poster and we will work on a new section, every week. **If you don't have a printer**, you can use the digital version in Classkick. Also, if you are tech savvy, you can use the word format of this document, and learn to input text boxes, copy and paste images, etc.

Please keep all the pages in a safe spot. Saving them to either your desktop or keeping them in your binder is important.

Note taking is a good idea during ELA class, so I've attached a document you can use. You can also just use notebook paper.

THIS WEEK'S ASSIGNMENT:

Late May Final turn in procedure:

Once your poster is complete, near the end of the unit, please tape it all together if possible. Have your learning coach snap a photo of you holding it and email it to me with the subject heading, "WA State History Poster." I will add it to a slide show at our year end celebration class!!

Mrs. Eckhart 😊
