

Class Yearbook!

As the end of the year draws near, I'd love to put together a little yearbook just for our class. Here is what I need, if possible & if you would like to participate:

DUE: May 29th

1. Create a Bitmoji that looks like you! In email, copy and paste the Bitmoji directly onto the email you would like to include in our class yearbook. We will need bitmojis without making a screenshot, by right clicking on the image and pasting directly into the email body. Please try to choose one that is posed, standing up. Please also be sure to send a Bitmoji that is respectful, of course. 😊 Below, is a sample of a class picture using Bitmoji characters.

2. Send in email, a “thinking picture” of yourself in black and white as well. This will need to be a jpg. or png. saved image. Some of you already have sent me one this year. A sample of this picture is below also.

NOTE: If you do not want your name included underneath of your individual “thinking photo,” please be sure to include that in the same email.
